Santino Wants To Join Antioch

Village Is Studying Annexation

Thomas F. Santino met with village officials last Thursday to see if Antioch is interested in annexing the housing development he plans at Antioch Country Club.

Some village trustees, and Mayor Robert C. Wilton, have expressed an interest because they feel Antioch could do a better job of controlling the project than could Lake County or the village of Lake Villa.

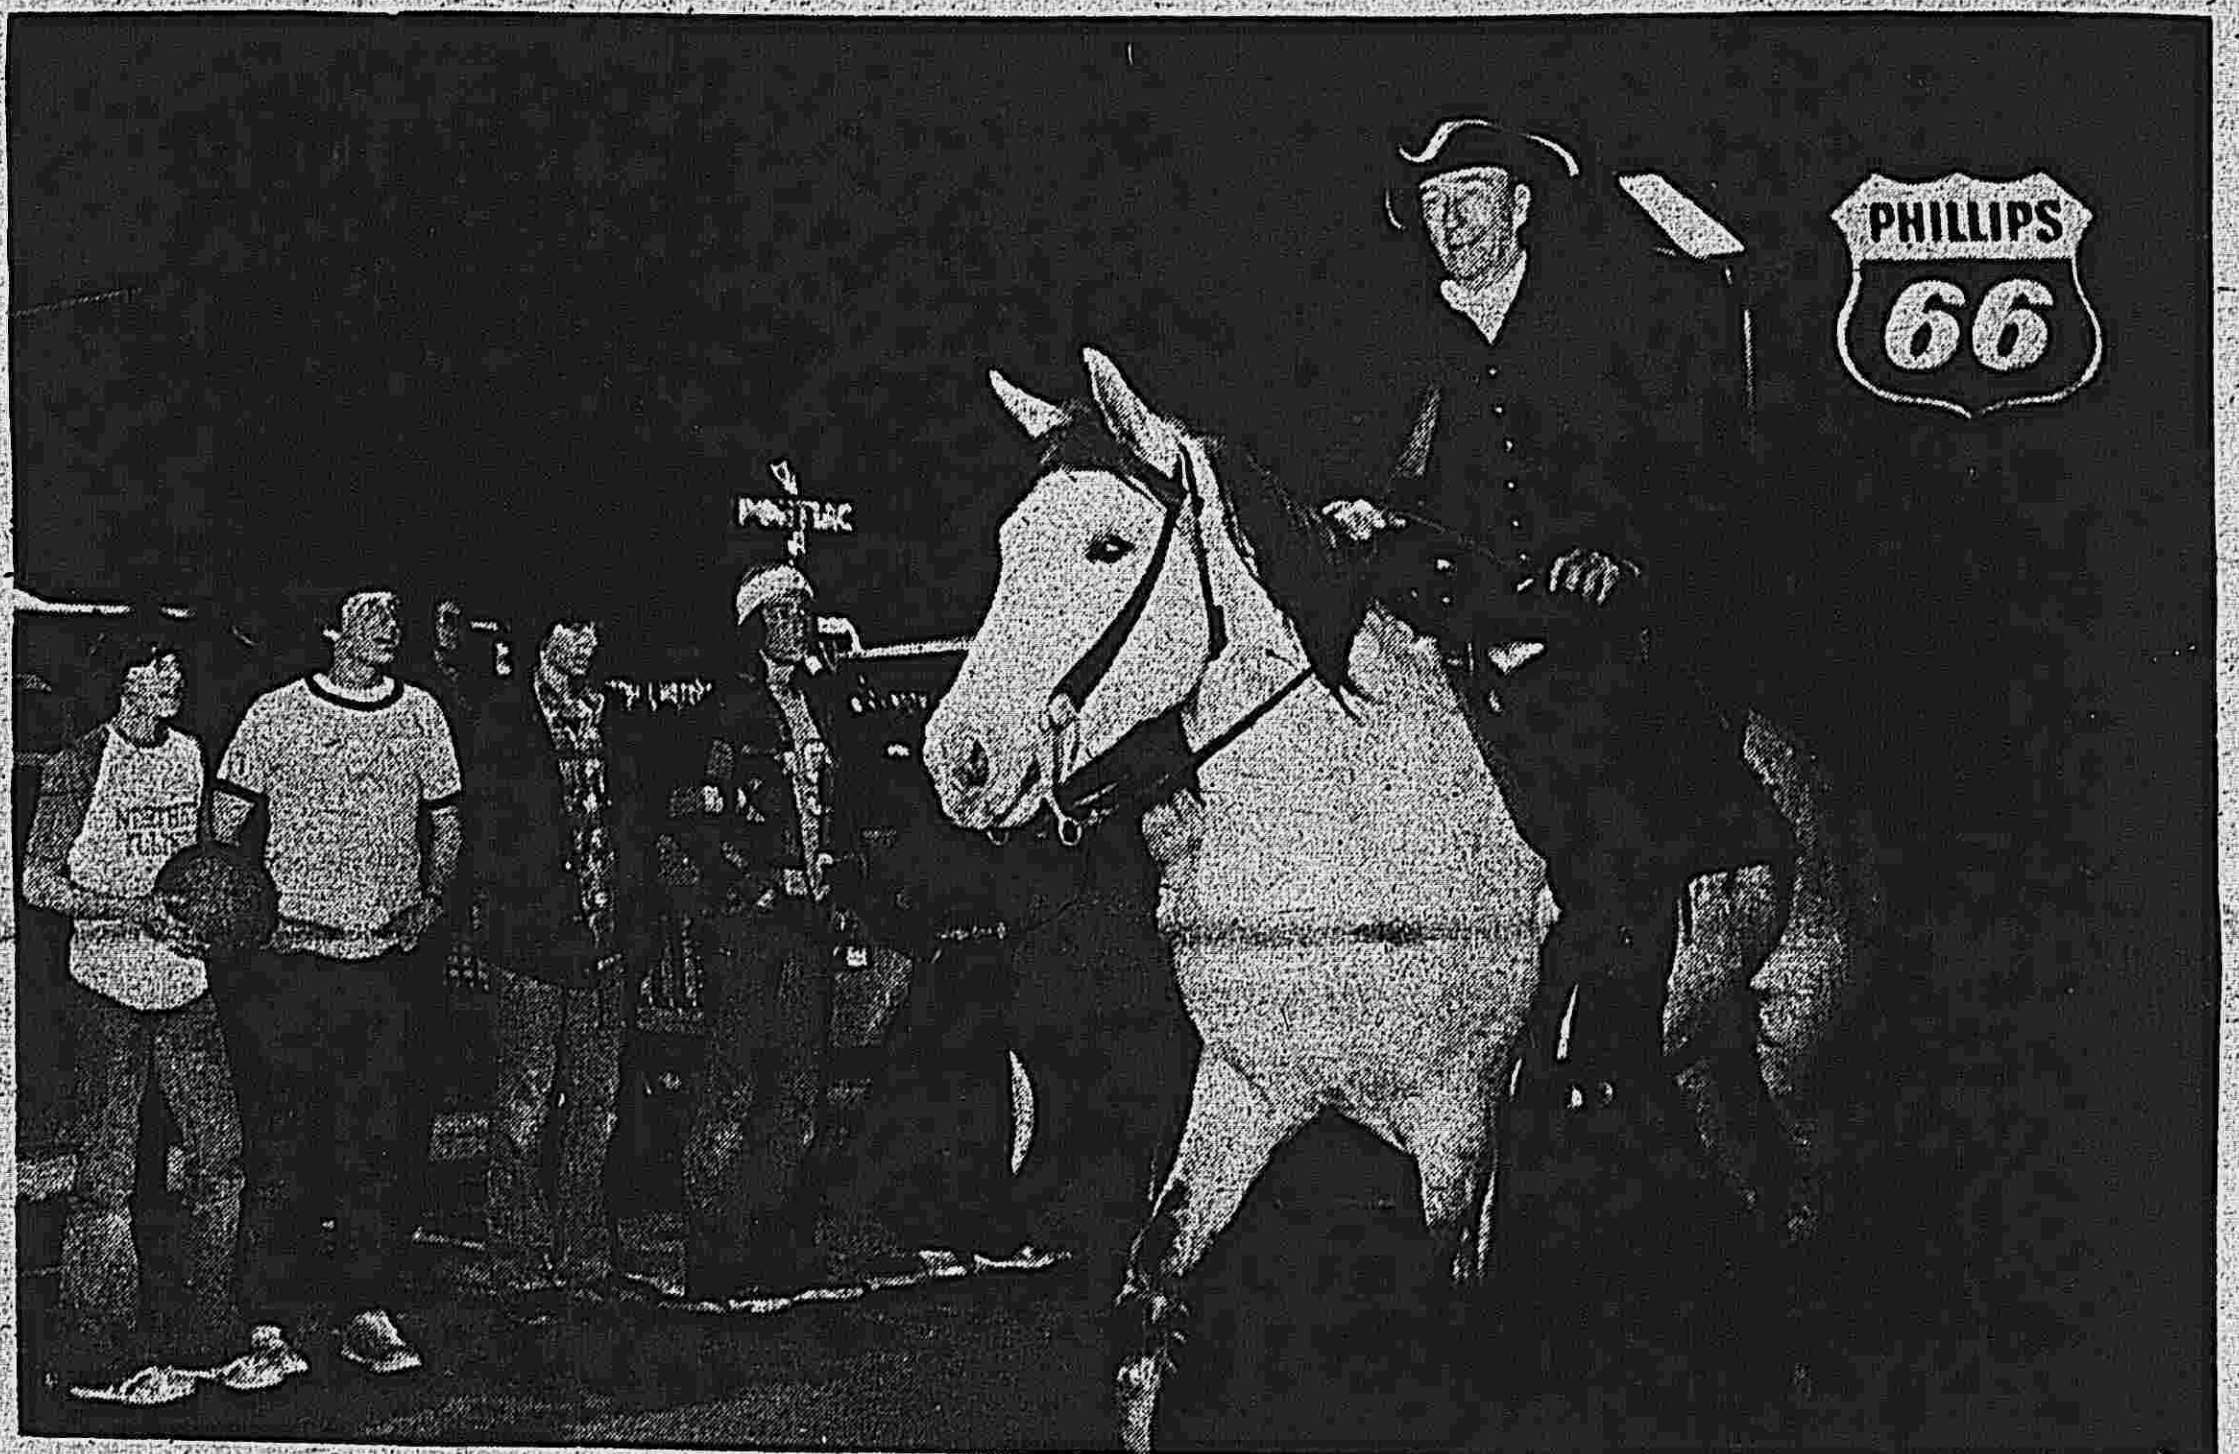

About 50 persons attended the session at the village hall, including trustees, members of the village planning commission and some members of the community who apparently are apprehensive about the Santino development.

Because of opposition, Santino shelved his plans in 1971 and began a court battle. Recently an Illinois Appellate Court ruled that Santino can proceed.

The possibly \$30-million development could produce 1,487 housing units in the next five to seven years and add perhaps 4,500 residents to the Antioch community.

Santino's plans call for about five different types of dwellings,

PAUL REVERE'S RIDE was re-enacted here last Friday, on its 200th anniversary, attracting a large crowd to downtown Antioch. Police Chief Jack Wells played the role of Paul Revere. The

real Paul eventually was captured by the British Redcoats who were chasing him. He might have had better luck, but in 1775 he didn't pass any gas stations along the way. More pictures on Page 2

Village Expresses Concern For Grass Lake, Emmons

Plans for a housing development at Antioch Country Club apparently will affect two nearby grade schools, Emmons and Grass Lake.

Some citizens in those school districts have expressed concern. Trustee Mike Haley said at Monday night's village board meeting that he and other village officials will discuss these apprehensions with members of the school districts.

"There seems to be some misconception that the village board for some reason is attempting to keep the school districts in the dark as to negotiations with the developer (Thomas F. Santino)," Haley said.

"Nothing could be further from the truth," he added. "Unfortunately this board has no jurisdiction between Mr. Santino and any school district. But we are concerned about the schools problems."

"I HAVE already contacted representatives of the Grass Lake and Emmons schools and have asked to be put on the agenda at a meeting in the near future," Haley said.

He said, "We can discuss the mutual problems of growth as they pertain to both the village and the schools."

Haley said:

"In light of the recent court decision in Mr. Santino's favor, the decision facing the village is not the amount of compensation Mr. Santino should give the schools; is not the amount of traffic congestion a development of this size will generate; is not the amount of professional services or commercial services this development will require; but instead a very simple question of whether or not the development should remain in the county or be annexed to the village."

Haley said the questions

concerning schools, traffic and other related subjects concerning development "might be resolved in a manner more palatable to all of us if the village of Antioch gained and maintained control of the development through annexation."

"I'm not sure," Haley concluded, "that we should take the calculated risk that if we do nothing Mr. Santino will go away. Economics, pure and simple, assure us that development on the country club site is here to stay."

Circus Here Sunday, At Upper Grade School

The Borger Brothers Circus is coming to town Sunday - to the Upper Grade School gymnasium, to be exact.

Two performances are scheduled, the first at 2 p.m. and the second at 4:30.

The fun is being sponsored by the Antioch Grade School Parents.

The group is raising money to send the Grade School Band on tour to St. Louis, June 3-6, where it will perform at Six Flags and at the Arch.

Tickets for the circus cost \$1.50 and will be sold at the two Antioch banks on Friday night and Saturday. They also will be available at the door of the gymnasium on Sunday afternoon.

One of the exciting acts at the

circus will be the performance of Lydia, who is billed as "the lovely queen of the air." Lydia does an aerial trapeze act.

Missing Something From Your Car? Police May Have It

Antioch police have cracked a juvenile theft ring that was stealing hood ornaments, trunk latches and other emblems from automobiles.

Chief Jack Wells and Sgt. Charles Miller now have a box full of the ornaments and

manufacturer's emblems, which probably are missing from some residents' cars.

"If they come to the police station and claim them, we'll be glad to return them," Miller said. "After all, they're worth money if you want to replace them."

THE REDCOATS WERE COMING Friday night, and Carl Beitzel was one of them, chasing Paul Revere (Police Chief Jack Wells) up Orchard St. in the re-enactment of that historic ride on the night of Apr. 18, 1775.

SIGNALLING THE START of "Paul Revere's Ride" in Antioch last Friday night was Jerry Smouse, who carried two lanterns up the ladder to the belfry of the Methodist Church. (Pastor Steve Williams held the ladder.)

GOOD NEWS!

IRA *

BRIGHTENS THE FUTURE FOR 40 MILLION FOLKS WHO HAVE NO PENSION PLAN!

* INDIVIDUAL RETIREMENT ACCOUNT

Let us help you build your own retirement fund ... Save tax dollars ... And earn up to 7½% Interest.

- The big tax savings in the IRA plan are available to you if you are not actively participating in a tax-qualified pension plan. And working for a company that has a pension plan does not disqualify you until you are actually included in the company's plan. The IRA plan is open to both full-time and part-time employees, including a spouse working full or part time, students with part time jobs, and self-employed individuals not covered by the Keogh plan.
- Each year you can set aside in a qualified IRA plan up to 15 percent of your earned income (but not exceeding \$1,500 yearly), free of current federal income taxes. You can deposit a lump sum once a year - or deposit smaller amounts periodically if you prefer. What's more, the income earned by the Individual Retirement Account is also exempt from federal taxes until you actually begin to make withdrawals from the account. And you can still take advantage of the standard income tax deduction when you are in the IRA plan. Keep in mind that the sooner you start, the earlier your savings begin to earn and grow.
- If you take advantage of our qualified plan, your money will be placed in an insured savings account earning as much as 7½ percent interest compounded daily (annual yield 7.89 percent). Safety of savings is insured to the full legal limit by the Federal Deposit Insurance Corporation.

PLAN NOW FOR THE FUTURE...

COURT REFORM OVERDUE

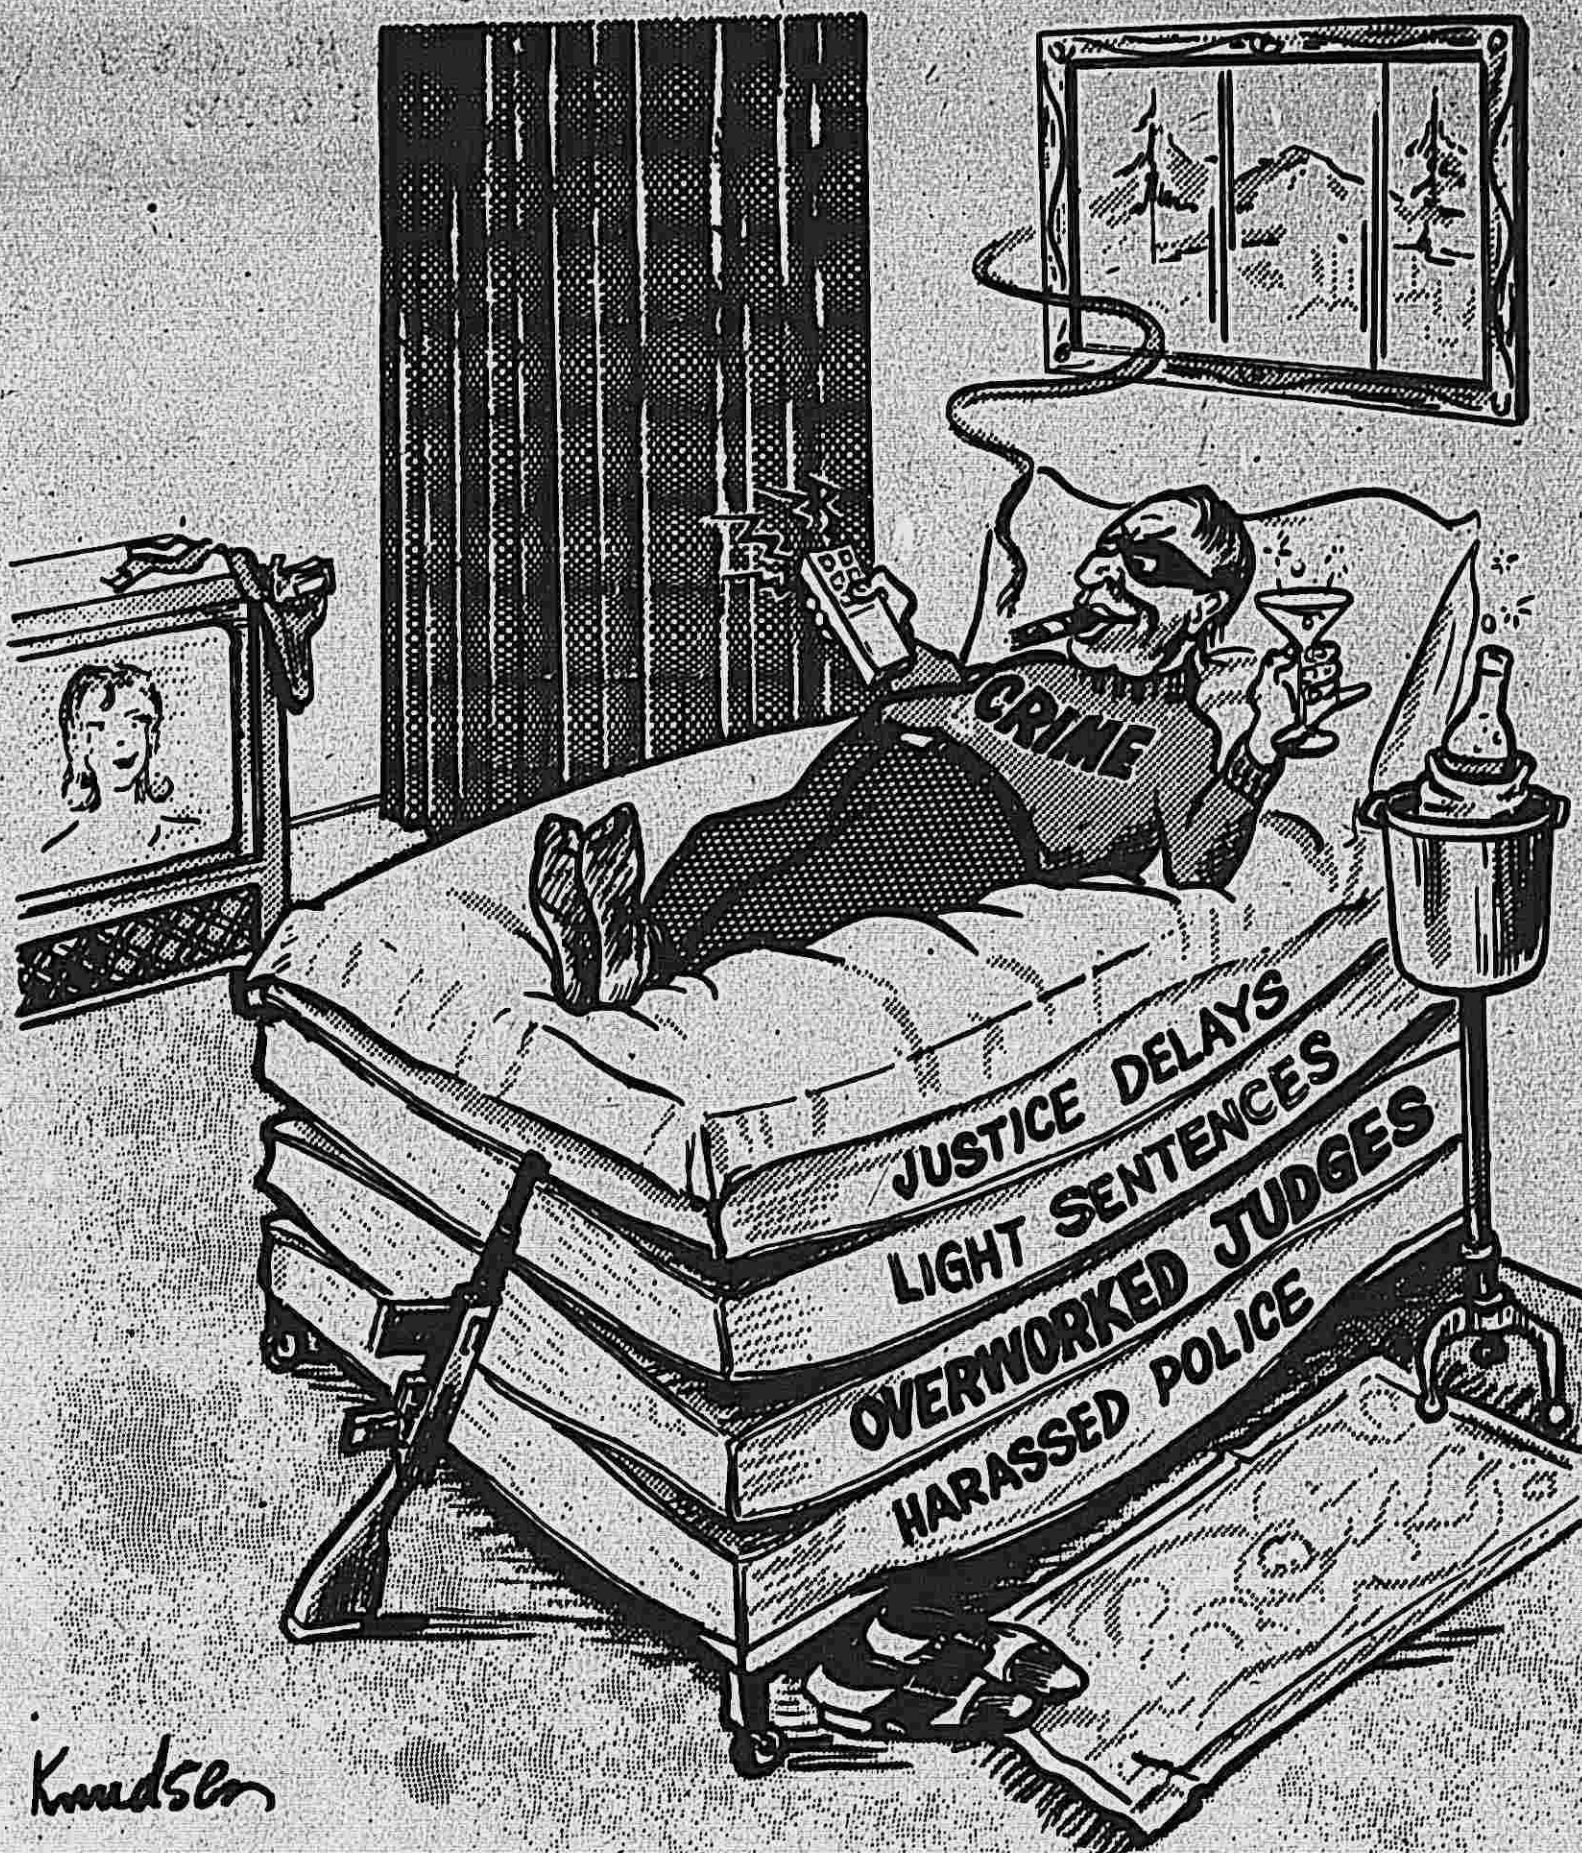

Justice system failing

The release of nationwide crime statistics for 1974 confirms what many Americans probably have already sensed — that crimes of violence and theft are approaching a runaway level in our society. The 17 per cent increase in serious crime within one year should sound an alarm in every community. The safety that most citizens could once take for granted in their homes and neighborhoods is disappearing.

Attorney General Edward H. Levi ascribes the galloping crime rate to "dismal and tragic failure" of our criminal justice system. This, too, is not news to citizens who have followed criminal cases from the police blotter through the process of prosecution and trial — if indeed the defendants are ever tried for the crime with which they were charged.

Mr. Levi's comments are valuable if they awaken the public to the fact that the solution to the problem menacing their lives and property goes beyond supporting their local police. Indeed, it is difficult to fault the police in many cities for the quality of law enforcement they provide, nor to fault the public for not providing their police departments with the resources they need. It is not so much the inability of police to catch criminals that is creating our crime problem but the inability of our judicial and penal systems to deal effectively with the volume of criminals that come before them.

Mr. Levi points out that in many cities only a small percentage of persons arrested for a felony are convicted for that offense. Plea bargaining more often than not reduces the charge. Appeals delay the imposition of sentences. Offenders melt back into the population under probation or parole programs.

BARRY GOLDWATER

AFL-CIO Demands Could Put More Out of Work

By SENATOR BARRY GOLDWATER

The leaders of big labor in America have a strange way of expressing their concern over the growing rate of unemployment — they are vigorously pushing for the enactment of legislation in Congress that can only make the situation worse.

I am referring to a demand by the AFL-CIO that Congress increase the federal minimum wage to \$3 an hour. I doubt if there is a surer way to increase the ranks of the jobless at this particular time.

THE WORST part of this legislation is that it would work a hardship on those who can stand it least. History has shown us that, when the federal minimum wage goes up, marginal employers do everything they can to rid their payrolls of unskilled workmen through automation or the suspension of a certain line of manufactured goods.

Some employers find the minimum too high to handle at all. They just go out of business and throw their workers on the unemployment rolls.

At the present time a higher minimum would hit those segments of the work force already experiencing the highest rates of joblessness — teen-agers, women and minority workers.

Unions traditionally have fought for high minimum wage levels regardless of the harm done to the unskilled sector of the labor force. This is because higher minimum wages in-

crease the value of skilled work, giving unions justification for seeking higher wages for their members. So what really happens is that minimum wage increases boost the pay for skilled workers, leaving the unskilled to fend for themselves.

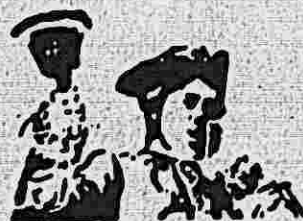

HIGHER MINIMUM wages always accelerate job-reducing plans and have an unhealthy effect on the American work force. Such wage floors are inherently discriminatory since the workers hurt most are the blacks, the women and the poor.

Even so, the AFL-CIO down through the years has made its drives for higher minimum

wages look like campaigns to help all workers. Actually they are the worst things that can happen to unskilled workers — especially in a time of economic displacement.

MEMBER OF ILLINOIS PRESS
ASSOCIATION

CLUSTER HOUSING that would face Grass Lake Rd. and Rt. 59 is depicted in this architect's

drawing of the development planned by Thomas F. Santino at Antioch Country Club.

Village Studies Santino Development

Continued from page 1

including cluster houses, townhouses and apartments. They would be condominiums, with individual owners rather than renters.

In 1971 the prices ranged from \$18,000 to \$35,000, but Santino said the tremendous inflation of the last four years would raise those figures.

"The price of wood is going up everyday," he said.

SANTINO SAID he plans to proceed despite comments

attributed to Lake County State's Atty. Jack Hoogasian that he will fight Santino all the way to the Illinois Supreme Court.

"So far we haven't been threatened with anything," Santino said. "They may want to file with the Supreme Court, but will the Supreme Court accept it?"

Santino said his development would be "better, if its sewage could be treated by the village of Antioch."

"My preference is Antioch,"

he said, "because it has better resources."

He noted that Antioch recently adopted a "planned unit development" ordinance and said:

"I'm quite sure what we are doing would comply. If not, I'm sure we could adjust."

SANTINO SAID his 18-hole golf course, south of Grass Lake Rd., would be part of the development. He also has a short, 9-hole course north of Grass Lake Rd. and this would be fixed up for play as the development progressed, he said.

His plans call for a small shopping center, "a convenience center," on the southwest corner of Grass Lake Rd. and Hy. 59. A motel for weekend guests would be built just north of the golf course clubhouse.

Santino said he would devote

perhaps an acre or two of land for the building of a fire and police station. If the village annexed the development, it would have to provide such protection and Santino said he would prefer Antioch's.

"Police protection in Lake County is rather thin," he said. "We have our share of vandalism, so I know whereof I speak."

SANTINO SAID he would put in a water system and that perhaps sometime in the future the village could purchase it through revenue bonds. He said he also plans to install curb and gutter and that streets could be dedicated to the village.

He said that as soon as possible he would put up models of the various types of dwellings and sell from the models. He said he has been delayed by 4½ years and that it might take

several more years before he could complete the 887 units planned south of Grass Lake Rd. and the 600 units planned on the north side of the road.

Antioch Country Club is about a mile or more outside the village and an annexation corridor, affecting other property owners, would have to be set up.

MEMBERS OF the audience asked Santino if he would be willing to contribute either money or land to schools. His project is close to the Grass Lake and Emmons grade schools.

"I think I was the first developer who offered anything to the schools," Santino said. "But they pretty much negotiated themselves out of consideration. I was sympathetic enough to make them an offer, but their counter-offer was outrageous."

Now, he said, the appellate court has ruled that he doesn't have to contribute to the schools.

"I had to spend all those funds in court," he said. "Those funds were foolishly spent."

He also said his project is "geared to an adult community and wouldn't generate enough pupils to merit a school on the site of the development."

MRS. JOHN STEITZ, a member of the audience, produced a letter from Sherry Lichter, secretary of the Emmons school board, complaining that the schools weren't notified of Thursday night's meeting with Santino.

She said she also had talked to Hoogasian and that he assured her he would take his fight against Santino to the Illinois Supreme Court.

Mrs. Steitz asked that the schools be notified in writing of future meetings."

MAYOR WILTON said three village trustees - Mike Haley, Irv Walsh and Bill Seemann - are members of the village annexation committee which will study Santino's plans. He also asked Ken Wierschem, chairman of the village planning commission, to assign three members of his group to work with Haley, Walsh and Seemann.

The plan commission meets again on Thursday, May 1.

"People always ask if I can save them money on car insurance. It's amazing how often my answer is, 'yes.'"

At State Farm we have low mileage rates, low rates for people who've joined car pools, a two-car discount, a safe bumper discount, discounts for good students and young drivers who've taken a driver's training course. If you want to know if I can save you money, just give me a call or come in and see me.

70 YEARS AGO: APRIL 20, 1905

HE'S ALL RIGHT

(From The Antioch News)

How dear to our hearts is the steady subscriber
Who pays in advance at the end of each year;
Who lays down his money and offers it gladly,
And casts 'round the office a halo of cheer.
Who never says: "Stop it, I can't afford it."
Or, I'm getting more papers than I can now read."
But always says: "Send it, I read it and like it,
And can't do without it -- it's just what I need."
How welcome he is when he steps in our sanctum,
How he makes our hearts throb! How he makes our eyes dance!
We outwardly thank him -- we inwardly bless him --
The steady subscriber, who pays in advance.

20 YEARS AGO: APRIL 21, 1955

Lake County teen-agers can "swing out" in May at a series of free dances entitled "Dance Month," it was announced today by Don Jacoby, Chicago TV star and president of the Waukegan Federation of Musicians. The dances, to be held at various county high schools, are being sponsored by the musician's union, several Waukegan industries and interested civic groups.

Miss Garnet Seyfarth, daughter of Mr. and Mrs. Richard Seyfarth, was awarded the Sportsmanship trophy at the Girls Athletic Association mother-daughter banquet Saturday. The volleyball trophy was awarded to Willie Van Hilst, and the basketball trophy to Sue Wolfenbarger and Joanne Quilty.

10 YEARS AGO: APRIL 22, 1965

Chuck Miller, new member of Antioch Moose Lodge No. 525, will be wearing the uniform of the U.S. Army soon: he left Friday for service.

College Honors For James Gaa

DE PERE, Wis. - Named to the Dean's List at St. Norbert College is James Gaa, Antioch, who achieved superior scholastic honors for the first semester of the 1974-75 academic year.

To be eligible for the Dean's List a full-time student must maintain at least a 3.5 average, based on a perfect 4.0.

Blood Pressure Tests on May 3

Identifying and controlling high blood pressure is one of the best ways to reduce the risk of a stroke or heart attack.

That is the message of the Antioch Rescue Squad, which is offering free blood pressure checks here on Saturday, May 3.

Cooperating with the Heart Association of Lake County, members of the rescue squad will offer the free check-ups from 10 a.m. to 2 p.m. at the Antioch Savings and Loan Association, the First National Bank, and the State Bank of Antioch.

A spokesman for the rescue squad said the test takes only a few minutes and will be administered by qualified people.

"High blood pressure may not have noticeable symptoms, so you should have your pressure checked even if you feel well," the rescue squad spokesman said.

MEMBERS OF THE ANTIOCH Mental Health Association operate the Thrift Shop on the corner of Lake and Main streets. Among them are (from left) Ann Feller; Zaida Vos, manager of the shop; Ruth Jedele, treasurer of the Mental Health Association, and Louise Vos, chairman of the Thrift Shop. The store opened eight years ago and was made possible through the kindness and generosity

of "their angel," Mrs. William Schroeder of Evanston, who donates the building rent free, including heat. The Mental Health Association is planning its 10th Cotillion Saturday, May 3, at the Abbey in Fontana, Wis. Donations are \$15 per person and can be obtained at the Thrift Shop or from either of the Antioch banks.

ACHS Meeting

The regular monthly meeting of the Board of Education of Antioch Community High School will be held Thursday at 7:30 p.m. in the Board Room.

An Invitation

You are cordially invited to attend the 10th annual Mental Health Cotillion.

This year's gala affair will be held at the Abbey in Fontana, Wis. Cocktails and hors d'oeuvres will be served starting at 7 p.m. At 8:30 a delicious dinner consisting of chilled grapefruit sections, mixed green salad, vegetable, baked potato and sour cream, prime rib of beef, topped off with a delicious dessert of Creme de Menthe parfait.

Music for dancing pleasure will be by "The Board of Directors." Please call Irene Hahn at 395-0096 for reservations.

Tables of 10 reserved in one name only. Donations are \$15 per person.

This delightful evening is made possible through the generous donations of some Antioch businesses. The band and the flowers for the ladies are the compliments of the State Bank of Antioch. The hors d'oeuvres by the First National Bank. All proceeds of the dance are contributed to various charities.

VFW Auxiliary Elects Officers

On Apr. 14 the Sequoit Auxiliary VFW held its regular meeting. President Ida Wysoglad said a donation was made to the American Cancer fund, and also to Downey Hospital for its Summer Carnival.

Election of officers was held for 1975-76 and the following were elected:

President, Ida Wysoglad;
Secretary, Lynn Hoffman;

Treasurer, Lillian Burnette; Sr. Vice President, Ellen Flint; Jr. Vice President, Myra Randall; Chaplain, Ann Gialds; Conduress, Olive Hallwas; Guard, Florence Morin; 3-year trustee, Kate Verkest.

A meeting will be held Thursday to make plans for installation. The next regular meeting will be on Monday, May 12, at 8 p.m.

Save Yourself Work: Rent Boy Scout!

One of the most delightful shows in town is enjoying a successful run.

It's the "Rhythm Band Revue," staged by St. Peter's first graders under the direction of Laura Young. This is the 8th annual tour by the little charmers.

So far they have performed for several groups, including nursing homes and the American Association for Retired Persons.

Next Wednesday, Apr. 30, they will give their show at 12:30 p.m. at the social center for the rest of the student body and St. Peter's faculty. Then, at 8 p.m. on that day, they will give a free performance for the general public.

Need leaves raked, windows washed, shrubs cut, lawns cleared or other spring cleaning done?

Troop 91 of Antioch is offering to rent you a Boy Scout.

"Rent-a-Scout" days are scheduled on three Saturdays, Apr. 26, May 10 and May 24. The boys will be available from 9 a.m. to 4:30 p.m.

They are raising money in order to attend summer camp. The men to call are Scoutmaster Bob Brown in Antioch at 395-6592 and Marty Shapiro in Lake Villa, 356-2002.

It was once believed that serpents cured blindness with fennel roots.

WORDS OF WISDOM

OK, roll'em back!

AN INTERESTING solution to the consumer problem of high meat prices is offered by the National Livestock and Meat Board.

Let's roll back livestock and meat prices to where they were 20 years ago. On condition, however, that wages, salaries, and other prices be rolled back too.

On that basis, farmers would get about the same as they are getting now and meat prices would be about 35 per cent lower than today.

But here's the rub, Mrs. Consumer. Your husband's take-home pay would have to go back to less than 40 per cent of what it is today.

These words of wisdom have been brought to you by:

New Terminal Being Built By Cunningham Cartage

Cunningham Cartage Inc. is beginning construction of its new terminal on Rt. 173, west of Deep Lake Rd.

The 14,000 square foot building will house the firm's new office, garage and dock facilities.

Murrill Cunningham founded the business in 1929. In 1951 he became one of the original contract mail carriers and still operates one of the largest mail routes in the Chicago area. The business also covers general freight, local moving and excavating.

Mr. Cunningham served as a village trustee for 10 years and mayor of Antioch for eight years. He was a member of the fire department for 25 years and has been a member of the Lions Club for the past 15 years.

Assisting Mr. Cunningham in operating the business are his two sons, Ronald and Robert. Ronald is currently serving as a

village trustee and Robert is a member of the fire department and its underwater recovery team.

Mr. Cunningham said that the company hopes, upon completion of its new dock facilities, it will be able to provide better and more convenient freight service for local and nearby industry.

People once believed that a sudden feeling of light-heartedness would lead to an equally sudden death.

NATIONAL SECRETARIES WEEK

What is Secretaries Week? Sponsored by the National Secretaries Association, the annual Secretaries Week is April 20-26. National Secretaries Day is today, the 23rd.

Since 1952, the last full week in April has been designated Secretaries Week to bring recognition to secretaries for the vital role they play in business, industry, education, government and the professions. Its purpose is to inform the public of the secretary's contribution to the educational, professional and civic growth of the community. It also serves to remind secretaries of their responsibilities to their employers and to their profession.

STARS OF "OKLAHOMA!" at Antioch High School May 1-3 will be Dan Heuer, who plays the part of "Curly," and Debbie Hartokolis, who plays "Laurie."

'Oklahoma!' Opens May 1 At High School

By SUE PLETT

Antioch Community High School students will be bringing you that bright, happy musical called "Oklahoma!" Thursday through Saturday, May 1, 2 and 3.

These young people are working very hard to make the production a success, and are doing an excellent job.

Playing the main parts are Dan Heuer as Curley (the hero); Debbie Hartokolis as Laurie (his heartthrob); Wanda Springer as Aunt Eller (Laurie's aunt who is overseer of all that goes on); Kim Kovach as Ado Annie (the crazy, mixed-up girl who wants two men at the same time); Rusty Long as Will Parker (the one man who finally traps Ado Annie); Frank Anderson as Ali Hakim (the peddler man); Dan Miller as Andrew Carnes (Ado Annie's father); and Debbie Alexander as Gertie Cummings

(who tries her best to break up Laurie and Curley's love affair).

OTHER MEMBERS of the cast are: Kevin Little, Neil Fossum, Marty Nadelhoffer, Nancy Springer, Debbie Moran, Rosemary Scheske, Kathie Dobson, Kathy Moran, Jim Gutowski, Carl Bryn, Mark Meyer, Jerry Wittbrodt, Jeff Smouse, Laurie Hotchkiss (who also portrays Laurie in the dream sequence), Greg Mieure (who also portrays Curley in the dream sequence), Sandy Herbert, Linda Dyer, Angela Stone, Rosline Scheske, Coleen Moore, Jack Wieber, Tom Manglesdorf, Elin Bolt, Chris Boucos, Julie Gutowski, Robin Hunley, Laurie Poulos, Rose Ware, Carolyn Nauer, Joann Hermano and Laura Weber.

The directors are Ken Smouse and Sue Plett, and the choreographic instructors are Linda Therry and Madelyn Yerke. John Olisar will be directing the pit orchestra.

Curtain time is at 8 p.m. Tickets are \$2 for adults and \$1 for students, and can be bought either at the door or from any member of the cast.

Talent Show At Emmons Thursday

On Thursday at 7 p.m. in the gymnasium, Emmons Grade School will hold its Third Annual Talent Show and Play. Tickets are 75 cents for adults and 25 cents for children.

The talent show segment consists of a variety of singing, dancing and instrumental pieces, presented by the students. Judges are Miss Sue Sedivec, Community Relations Officer of the Antioch Police Department, and Miss Mary Chris LaKome, Lake Zurich music teacher.

"Way, Way Off Broadway," a one-act melodrama, follows the talent show. The cast of this old-fashioned comedy, with music provided by Mrs. Beverly Kramer, includes: Suzie Dyer, Richard, Andrea and Gary Becker, Carole and Debbie Duha, Denise and Diane Grohs, David and Gary Volling, Roger Plechaty, Nancy Blanchette and Michael O'Brien.

ALSO FEATURED in "Oklahoma!" - Antioch High's spring musical production - are (from left) Frank Anderson as "Ali Hakim," Kim Kovach as "Ado Annie" and Rusty Long as "Will."

Lakeside Rebekah Lodge

On Apr. 11 members of Lakeside Lodge attended District Officers' Night at Waukegan Lodge.

Zella Larson, district vice-president, was one of the honored guests. Accompanying Zella were Agnes Ferris and Clare Horton.

On Apr. 17 Libertyville Lodge's Secretary and Treasurer's night was attended by these same members, plus officers Lorna Buchart and Mary Ellis.

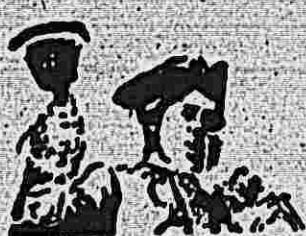

Sherene Jones attended the Tri-State Degree Rally in Decatur where candidates from Indiana, Missouri and Illinois were initiated.

Initiation of candidates will be at the next meeting, Wednesday, May 7, 8 p.m. at the American Legion Hall.

Get well wishes to Rose Borovicka, Lillian Hand and James Aldrich.

DOMESTIC AND INTERNATIONAL

ABC's of Travel

By BARB CORBIN

There will be many people flying over to Europe before June 1 to take advantage of the off-season air-fare. Following is a great trip which can save a lot of money depending upon the circumstances.

New York Airways has started a standby shuttle service for passengers making connections between overseas and domestic flights at Kennedy, LaGuardia and Newark airports.

An official for the helicopter carrier said (on-demand) helicopter service between the three airports will be offered to even a single passenger any time regular helicopter flights are filled, or when passengers

departing time necessitates the special service. The Shuttle Service between the airports is offered at no charge to the passenger but is paid for by the international carrier on which he is booked. Regular helicopter

departures are half-hourly in peak times and hourly at other times.

The helicopter line has sent information out to all travel agents who handle international bookings explaining the new service and the carrier's booking procedure. This new on-demand service between airports will be a great help, for I know how hard it is to get from one airline to the other at JFK let alone separate airports. New York is no different than Chicago during the rush hour which seems to be the time for 90 percent of the overseas flights.

So remember the next time you book overseas; request the helicopter service on-demand between the three airports. This is service with a plus.

Along the way with ANNIE MAE

Just think if all that rain had been snow. Now if it would just warm up we'd all be happier.

The Antioch High School Symphonic Band directed by John Olisar, received a first place last Saturday in the State contest held at Grayslake. The kids are really excited about it. It's nice to see the band program doing so well again.

Thought you might like to know -- Mrs. Fred Scott, a life long resident of Antioch, is now living at 11128-102 Way, N. Seminole, Florida. I'm sure she'd enjoy hearing from all of her friends here.

Talk about Spring fever ... saw some kids out canoeing in the Sewer Pond on Poplar Street. They'd paddle around a little and then come to the edge so their friends could have a ride too. For all you fishermen, I understand they will be stocking the pond soon.

Congrats to Sue Kasik who received the Donna Costoff Sportsman Award at the GAA Mother-Daughter Banquet last Saturday evening. The gals did quite a decorating job with all sorts of comic characters lining the walks and tables. The seniors put on quite a show. All-in-all it was a lovely evening for the Moms put on by the girls and their sponsor, Christy Aerndt.

Hear tell Paul Revere's ride was quite an event. Lots of

people lined Main Street. Jerry Smouse with lanterns in hand, climbed up into the belfry of the Methodist Church to warn the people and as Mayor Wilton set off the cannon, Paul (Jack Wells) began his ride with the Red Coats pursuing close behind. The costumes were great and the muskets were provided by Jack Wells. Saw a few wide-eyed kids taking in the scene.

SOME SUPER NEWS about a member of our staff -- Betsy Rossen (our summer reporter) has been named to the Mortar Board, an honorary service organization for one that gets involved in further campus projects. Out of 1,600 eligible students at Purdue University, Betsy was among the 32 chosen for membership in the society. To qualify, a student must maintain a "B" average plus be a leader in various organizations on campus. Betsy is currently working on the alumni newspaper and is active in several campus organizations. Great news, Pol, can't wait to see you this summer.

Condolences to Gwen Hansen and Dolores Irish upon the death of their mother, Mrs. Bernice Sittler.

Everyone's talking about the Emmons School Annual Spring Fashion Show held last Thurs-

day evening at the Brae Loch Country Club. All kinds of prizes were donated by the local merchants and after a superb buffet, Four Squires put on a delightful fashion show. Lots of oohs and ahhs and I'm sure with Mother's Day just around the corner, many hints were given that night. Hear tell the light blue suit modeled by Harry Lindgren was very nice. Looks like the men were well represented, too.

Junior members of the St. Stephen Lutheran Church choir and congregation had a local talent show last Sunday evening. There were several piano and accordion solos, skits and musical selections by the younger set. A very enjoyable evening for all.

Hilma Lightsey, assistant cashier at the First National Bank of Antioch tells us she's grandma to Lorelei Aura, who was born on Apr. 12 in Lake Forest Hospital to Dave and Julie Miller. Paternal grandparents are Mr. and Mrs. Arnold Miller of McHenry. The Millers have two other daughters, Catherine, age 12 and Gretchen who is 21 months old.

Mr. and Mrs. Doug Feistamel of Chicago are the proud parents of their first child, a 7 lb. baby boy born on Apr. 21. Mrs. Feistamel is the former Paula Reeves. Paternal grandparents are Mr. and Mrs. Feistamel of Wheaton, Ill. and the maternal grandmother is Joan Reeves of Antioch.

Whoops, we forgot -- belated birthday greetings to Dave Gutowski and Ken Sterbenz on Apr. 17, and to Marilyn Sterbenz on the 21st. Greetings this week to Jenny Schmidt and Irv Walsh on the 24th, to Patti Jahneke and Jennifer Stahmer on the 26th, to Chuckie Miller and Bud Howard on the 28th, to Marie Wells on the 29th and to Marie

Please turn to page 23.

JOHN TERESI Chevrolet-Oldsmobile BRINGS YOU

APRIL 28-MAY 4, 1975

The woods are ready to bud and bloom.

You are late if you haven't started your spring cleaning ... Emperor Hirohito of Japan born April 28, 1901 ... Last quarter of the moon May 3 ... Bees are seeking first pollen now ... Average length of days for the week, 14 hours, 8 minutes ... If it rains May 1 it will be a fertile year ... New York's 1939 World's Fair opened April 30 ... Twenty-cent pieces dropped May 2, 1878 ... The question still remains: did Hitler commit suicide April 30, 1945? ... Love knows no evil.

Old Farmer's Riddle: Why did the corn stalk hear so much? (Answer below.)

Ask the Old Farmer: Where did the expression "smart Alec" come from? F. D., Alexandria, Louisiana.

Our impression is that the term is very old, and that it originally indicated a person of unusual skill and sleight. We have a fragment of an old book, some 300 years old, in which there is a description of an entertainer of some sort. It calls him a "gay Alexander of exceeding smartness."

Home Hint: Varnished surfaces may have a rough look if the finishes are applied in rooms where dust has been stirred up by people walking around ... **Riddle answer:** Because it was all ears.

OLD FARMER'S WEATHER FORECASTS

New England: Early week fair with nice warm days; end of week rainy then clearing with normal temperatures.

Greater New York-New Jersey: Week begins generally clear and warm, then quite heavy rain; end of week clearing and seasonably cool.

Middle Atlantic Coastal: Warm and partly cloudy to start, then rain continuing to end of week and generally cooler.

Southeast Coastal-Piedmont: Clouding up at first, then showers; rain latter part in central and north, then clearing and warm.

Florida: Partly cloudy to start, then thundershowers; end of week cloudy with showers in central and south but warm and dry in north.

Upstate & Western New York-Toronto & Montreal: Showers to start and warm spell, then fair in west but rain in south and east; end of week clear and cold, then rainy.

Greater Ohio Valley: Week begins partly sunny and very warm, then quite rainy; end of week clearing and warm.

Deep South: First part of week cloudy and warm; end of week sunny and warm in central and along Gulf, and intermittent rain in north.

Chicago & Southern Great Lakes: Early week warm with some scattered showers; end of week rainy.

Northern Great Plains-Great Lakes: Heavy thunderstorms in east and some snow in north and west to start, then clear and cold; storm with heavy rain by weekend.

Central Great Plains: Week begins cloudy with rain in east and south, then clearing and cool; heavy thundershowers in east and south latter part.

Texas-Oklahoma: Clouding up at first, then heavy rain; end of week generally sunny and warm with occasional thundershower in north.

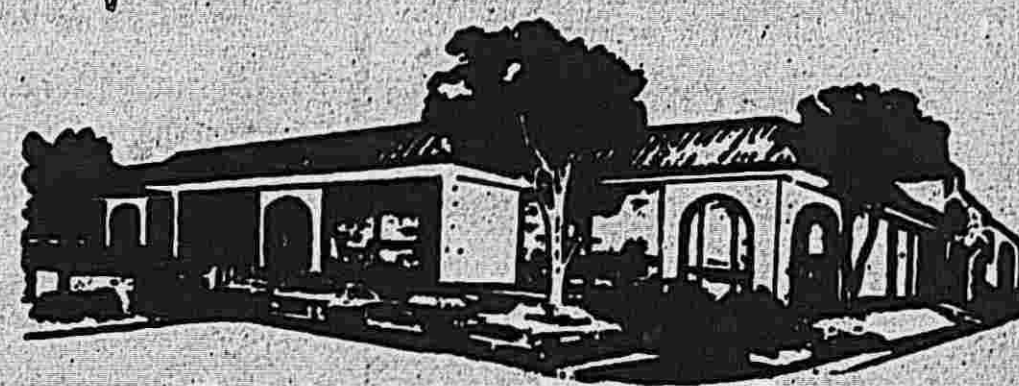

Rocky Mountain Region: Week begins rainy in central with snow in mountains, then clearing; week ends sunny and warm in south with showers in central and north.

Southwest Desert: First part of week clear and very warm; end of week alternately clear and cloudy with very light rain.

Pacific Northwest: Light showers in north to start, then generally clear and mild in south; end of week clear and cold in south and cloudy with light rain in north.

California: Early week clear and pleasant in north and cloudy in south; latter part generally overcast and cool with some clearing by weekend.

The Town Crier

Remember the old Burma Shave signs that used to brighten your automobile trips? They're a thing of the past now, but they used to be spaced along the highway - every 50 yards or so - and you got the message as you motored along:

Drove too long,
Driver snoozin' ...
What happened next,
Ain't amusin'
Burma Shave.

A CHICAGO disk jockey was reading from a book of them the other day and we wish we knew where we could get that complete collection. Two we remember are:

Schoolhouse near?
Better go slow ...
Let the little
Shavers grow.

IF hugging
On highways
Is your sport,
Trade your car in
For a davenport.
Burma Shave.

DID YOU read about the Chicago mailman, a 24-year-old, part-time letter carrier, who was arrested by postal inspectors and accused of dumping about 1,200 pieces of

mail into Lake Michigan?

A boater on Chicago's lakefront found bundles of soggy letters floating in the water.

We know that none of our bills were in those bundles, because all of the bills arrived ... but we're starting to wonder if some of the checks people owe us were tossed into Lake Michigan.

OUR FRIEND who claims: to be an expert on horses and women says that, for an ideal relationship, the woman should be half the age of the man, plus seven years.

In other words, if a man is 30 his companion should be 15 plus seven, or 22.

And if the man is 40, the woman should be 27 ... or if the man is 50 the woman should be 32. If the man is 60 the woman should be 37.

We know a lot of men who buy this theory.

Carrying it out a little farther, if the man is 80, the woman should be 47. We know some women who will go along with that, especially if the man is wealthy.

Hear ye!

"Don't forget the hand that fed you"

AWANA Olympics Colorful, Exciting

PASSING THE BATON in the sprint relay were Wendy Weldin (left) and Stacey Brant, representing the Antioch Evangelical Free Church in the AWANA Olympics.

CHUMS ROBERTA MEGLIO (left) and Debbie Morris were partners in the three-legged race.

Track Team Wins 2 Meets

Antioch High's track and field team is off and running (and jumping) and the Sequoits began with dual meet victories over Lake Zurich and Woodstock.

In the new Northwest Suburban Conference scoring dual meets count toward the league championship.

Both the Antioch varsity and sophomores were successful in the two meets. Mike Jones and Bob Ogden were voted varsity and sophomore "trackmen of the week" by their teammates.

Last weekend the Sequoits ran in the Lake Forest Invitational and enjoyed some success. Jones won both the 100 and 220 yard dashes and placed second in the long jump.

Jones' times were impressive for this early in the season. He ran the 100 in 10.5 seconds and the 220 in the rapid time of 22.6.

Mike Harland was fourth in

the two mile run, Dave Moore fifth in the 220, Bob Packert fourth in the high jump and Mike Ware sixth in the triple jump. Ron Grawer was fourth in the low hurdles.

The 880 yard relay team of Grawer, Moore, Dan Sherwood and Karl Blumenschein placed third, while the mile relay team of George Peirce, Matt Pucin, Jeff Eder and Tim Sheppard took a fifth place.

The Sequoits will host Cary Grove in a dual meet on Thursday. Saturday they will run in the North Chicago Warhawk Invitational meet.

BACK-SEAT RULE

BERN, Switzerland — Children under 12 have been banned from riding in front seats of cars when back seats are unoccupied, under penalty of an \$8.50 fine.

Mike Harland Selects College

MARSHALL, Minn. - Michael Harland, son of Mr. and Mrs. Richard Harland of Antioch, has been accepted and is registered for the fall quarter at Southwest Minnesota State College here.

Michael's planned major field of study will be physical education. He is a track and cross-country star at Antioch High School.

An on-the-spot inflation course

A lesson in inflation was provided diners at a West African hotel recently, dramatically illustrating how the value of money is being eaten away.

Before they could finish their meals, waiters circulated among the tables, changing the prices on the menu.

More than 500 young AWANA club members turned the Antioch High School gymnasium into a scene of fun and excitement Saturday as they participated in their annual "Olympics."

Antioch was represented by youngsters from the Evangelical Free Church. Other teams came from such communities as Rockford, Belvidere, Elmhurst, Joliet, Elgin, Fox Lake, Round Lake and Kenosha.

Parents and friends of the youngsters almost packed the bleachers for the colorful event. The boys and girls competed in relay races, bean-bag contests, tugs-of-war and balloon volleyball, among other events.

AWANA stands for "Approved Workmen Are Not Ashamed."

Each church had an older boys team called Pals and a younger boys team called Pioneers. The older girls were called Guards and the younger girls Chums.

Teams from Elgin and Zion won championships. Antioch reached the finals and among the winners were Kimberly and Stacy Brant, Jimmy Bokan and Stan Frazier. A record was set in the Chums' marathon relay by Sabrina Speno, Debbie Berry and Janet Acuff.

THE WINNER! Jennifer Garland holds aloft the coveted bowling pin that signified victory in her event in the AWANA Olympics.

Baseball Team Comes Close, But Loses 3

Antioch High School's baseball team got off to a bad start last week, losing three straight games in the Northwest Suburban Conference.

The Sequoits lost to Wauconda, Grayslake and Woodstock. But Coach Bill Seemann said two of the games might have been won "with a break or two ... and the Sequoits showed improvement in each game. The season is still young."

Wauconda beat Antioch 5-3 as pitcher Gary Klean held the winners to three earned runs but was beaten by two runs of

the unearned variety. Jon Bodin connected for a triple and Mike Perrone got three hits in four trips to the plate.

Grayslake beat Antioch 6-4 by scoring two runs in the seventh inning. Ron Sheedlo got Antioch's first home run of the season, with a man on base in the fourth inning.

At Woodstock, Antioch lost 5-0. Frank Pleviak whacked a double for the Sequoits but was left stranded. Mitch Witt, one of four Antioch pitchers, took the loss but Seemann said he "showed very well in his three and a third innings of work."

YOU'RE INVITED Antioch Jaycees 2nd Annual Fish Fry

"STRIKE ONE...YER OUT!"

Upper Grade Track Team Wins 81-28

The Antioch Upper Grade School track team was victorious in its first meet of the season. The opponent, Grayslake, was beaten in the 7th grade events by a score of 81-28. The Upper Grade school 8th graders won 82-26.

The 8th graders shut out Grayslake in four events, the 100 yard dash, the 50 yard dash, the 220 and the 440. They were outscored only in the high jump (5 to 4) and 120 yard hurdles (5 to 3).

Gene Lehn took three first places and participated on two winning relay teams. Also starring were Jeff Conklin and Tom Stroschien.

The 7th graders shut out Grayslake in 100 yard dash and the 880. They were outscored in only two events; discus (6 to 3) and 70 yard hurdles (6 to 3).

Don Verkeyn was first in the high jump and 880, Matt Firestone was first in long jump and 440, and Scott Peterson was first in the 50 yard dash.

The Upper Grade School's next meet is Thursday at 4 p.m. at Zion.

BOWLING Waukegan Racers Itching To Go

Wind, cold and wet grounds combined to postpone the scheduled opening night at Waukegan Speedway for the

third straight time Saturday night. The season's first events are now slated for this Saturday night.

An outstanding entry field is itching to go racing and well over 30 of the area's top late model stock car pilots will be on hand Saturday night.

Among the drivers already entered are Larry and Lee Schuler, Tom Jones, Rick Kleich and Bud Koehler.

Former Waukegan track champions Ray Young, George Dukas, Ted Richter and Bob Roper are also ready. Roper has won the last two Waukegan late model super stock titles and the three-track 1974 Chicago-Land Driving Championship crown.

Promoter Gordon Sill has announced that the Speedway will open at 4 p.m. Saturday for registration and inspection. Practice will start at 5 o'clock with time trials at 7 and the first race at 8. A 30-lap feature race is slated.

Wilmot Drivers Rev Up Engines

Antioch area drivers will be out in force when the 1975 racing season opens Saturday night at the Kenosha County Speedway on the fairgrounds at Wilmot, Wis.

Tom Homan will be gunning for the front of the pack and this year he'll have the car that can do it. He has bought the 1957 Chevy which carried Sid Norton to the sportsman's division championship last season and Tom has modified it so that it handles and accelerates even better than last year.

Mike Simons will be racing in the Sportsman's class, too. And Antioch's Dan Webster will be running for the checkered flag with a reworked super modified car.

Perhaps the most revolutionary super modified car this year will be driven by Carmen Manzardo, an Antioch product now living in Lindenhurst. Manzardo's car was designed with the help of a structural engineer and it sports a unique "suspension bridge" roll cage which beefs up the chassis while reducing its weight. Manzardo is also using coil-over shocks which eliminate the need for torsion bars, again reducing weight and increasing speed.

Manzardo is known to fans as the Black Knight because of his jet black helmet and flamboyant driving style.

Prices have not been raised this year, so adults can still get a seat for \$3. Youth prices remain at \$2 (12 to 17 years old) and youngsters with adults are admitted free.

Antioch Students On Honor List

ROCK ISLAND - Glen E. Amundsen and Debra L. Payne, both of Antioch and students at Augustana College here, have been named to the Dean's Honor List for the winter quarter. The list covers students whose grade point average is in the "A" range, from 3.50 to 4.00.

Amundsen, a sophomore, is a son of Mr. and Mrs. Donald H. Amundsen, 508 First St. Miss Payne, a freshman, is a daughter of Mr. and Mrs. Charles Payne, 308 Maplewood Dr.

According to the World Book Encyclopedia there are about 400 kinds of cheese with over 800 different names.

"Oh no! You've got laryngitis too?"

Gets Ready To Study ACHS

Art Blecke, principal of Antioch Community High School, has announced that the North Central Association Committee has appointed the team members who will be visiting ACHS next December.

The team of 28 members will be headed by Larry Eggleston, superintendent of the Unit School District in Paxton, Ill.

North Central teams are composed of educators who volunteer their time and talents in the association's efforts to help member institutions study and appraise the quality of their programs.

Principal Blecke explained that "NCA membership requires every school to undergo a complete evaluation once every seven years. The evaluation includes a comprehensive self-study by the school, then a review by a team of outside educators."

After the visit, the staff will consider the recommendations made by the team and the recommendations that resulted from the school's self-study. The staff will then decide upon the areas that need to be strengthened, and will devise a schedule of steps toward improving those areas. Principal Blecke called evaluation "a difficult but productive task."

The North Central Association, the nation's largest regional accrediting agency, is a voluntary association of some 4,000 secondary schools and more than 650 colleges and universities in a 19-state region.

Try on your old Army uniform

It gets tighter with the years.

That's how most life insurance programs fit after several years, too. They get stretched tight by inflation.

So tight they can't handle the jobs you had in mind for them.

Your Country Companies agent can measure your needs. And show you how Country Life can make your life insurance program fit today's high cost-of-living.

PTA Art Show Winners Picked

Sharon Henry, a junior at Antioch High School, won "best of show" in last week's PTA Art Show. Her winning entry was a water color landscape, "The Old Red Mill."

Sharon also won a first award ribbon for a comic ceramic sculptured head called "Groucho."

Other first awards were: Cindy Henderson, pottery; Gerri Hannum, sculpture; Lynn Vos, drawing; Judy Bjork, crafts; Gerri Hannum, water color; Ester Schriever, oil; Connie Atchley, pastels.

Second awards were: Kim Bye, pottery; Judy Bjork,

sculpture; Kim Bye, sculpture; Denise Golanka, crafts; Sherri Busscher, water color; Kathy Stahmer, oil; Beth Tanner, pastel; Connie Atchley, charcoal.

Merit awards were won by: Laurie Steiert, pottery; Lynette Kathe, sculpture; Beth Tanner, sculpture; Nancy Wells, crafts; Kim Kuenhold, crafts; Gerri Hannum, water colors; Terri Strom, oil.

Judges were Karen Kaminiski, Round Lake Junior High; Cathy Craner, Fox River Grove School; Patricia Maley, Art Instructor and substitute teacher from Round Lake.

Pace car - Teresi Chevy-Olds, Antioch

Village Hires New Policeman

The village board Monday night hired a new full-time police officer.

He is patrolman Fred Rakoncaj, who has been a policeman in Chicago for four years.

Officer Fred Herdt retired last week.

Officer Rakoncaj will start Sunday, May 4, at an annual salary of \$10,500.

Also hired was a part-time police dispatcher at \$3.25 an hour. She is Loren Lee Townsend.

THE VILLAGE board will meet again next Monday, Apr. 28, at 7 p.m. to discuss an ordinance pertaining to sewer and water usage rates. Trustee William Seemann asked for the special meeting.

If the ordinance is passed, the action will culminate a two-year study of what the rates should be.

In other action at Monday's meeting, the Sequoit Creek enclosure project was awarded to the DePaolo Construction Company of Niles for \$177,100. Because the creek is too shallow to accept storm water, it will be enclosed in a 120-inch diameter pipe from about 1,000 feet east of highway 83 to about 800 feet west of the highway.

TRUSTEE MIKE Haley said the board may advertise for bids soon on its 1975 sidewalk replacement program.

Haley said the public works department feels 71 residents have sidewalks that should be repaired. Of the 71 contacted, he

said, 29 were interested, 4 said "no," and 38 didn't answer the requests.

"We'll contact the 29 who are interested and get estimates for them," Haley said.

TRUSTEE IRV WALSH said he has been contacted by a man who is interested in building a 100-unit senior citizens development in Antioch. Walsh said, "the man has his own financing and will be meeting with village officials soon."

Walsh also suggested that the village look into the improvement of its loudspeaker system because many of the 1,000 or more persons who turned out for last Friday's re-enactment of Paul Revere's ride couldn't hear the speakers.

Village Clerk Marilyn Ster-

benz said the community should be "really proud of the marvelous turnout we had for the Paul Revere event. It was very successful."

AT THE END of Monday's meeting, village officials surprised Mrs. Sterbenz with a birthday party, including a cake and a stuffed animal (a monkey) "for those who would go Ape without you."

Walsh said it was Marilyn's 29th birthday.

Marilyn looked amazed and said: "Again?"

Editor:

A sincere "Thank You" is given to all the voters of the Village of Antioch who supported our People's Party and elected us as your Village Trustees. We will do our best to keep the Village of Antioch a wonderful place in which to live.

Yours in service,

Irv Walsh

"Willie" Kasik

Business District Plans Discussed

Plans for the Central Business District were discussed with the Antioch Rotary Club last Thursday by Ken Wierschem, chairman of the village planning commission.

Wierschem told of plans for a parking lot east of the stores on Main St. He said that a water retention pond and baseball fields also are possibilities for the land behind the stores.

The plan also suggests a new fire station on Orchard St., near the shopping plaza, Wierschem said.

"The floor of the present fire station is a critical problem," he said. "They're hoping they don't come in some morning and find the fire trucks in the basement."

WIERSCHEM SAID that Depot St. eventually may be extended all the way to Tiffany Rd., and that Orchard St. and Hillside Ave., hopefully, will be widened sometime in the future.

The planning commission's long-range thinking is that Lake

St. could become a one-way street going east and Orchard a one-way street going west. Main and Hillside would remain two-way streets.

"These are only tentative plans," Wierschem said. "The Central Business District plan is only a goal, but at least it gives us some structure."

WILLIAM E. BROOK, president of the Rotary Club, introduced Wierschem by saying:

"Ken heads a group of very hard-working, dedicated young people on the Antioch planning commission. They put in hours and hours of work and they're doing a tremendous job."

THE ROTARY CLUB nominated new officers for 1975-76 and will vote on them Thursday at their noon luncheon at the Brave Bull restaurant.

They include James Hamlin, president; Rev. Steve Williams, vice president; Vern Thelen, secretary, and Homer White, treasurer.

Sequoit Plates Being Sold

Antioch Interact, a group of high school boys sponsored by the Antioch Rotary Club, will be selling "Antioch Sequoit" license plates which attach to the bottom of regular car license plates.

They can be obtained from any Interact member, from the State Bank, and other places of business in Antioch for \$1.50.

Women of The Moose

Forty-nine co-workers attended last Thursday's business meeting and five candidates were elected to membership.

Three candidates were enrolled: Jeannine Vecky, Virginia Penn and Muriel Lieb.

Birthday marchers were Mae Prazak, Stephanie Polson, Pearl Anderson, Jennie Groen and Louise Imburgia.

On Saturday, May 10, the 25th anniversary dinner-dance will be held. Tickets are available at the Moose Lodge.

Emmons PTO Mixes Fun With Fashion

The Brae Loch Country Club was the setting for a lovely evening of fashion, fun and delicious food for 200 guests of the Emmons PTO last Thursday.

Following a lovely buffet, a spring fashion show was presented by the Four Squires of Antioch. The bright colors and beautiful spring fashions were described by Ann Kakacek while models Phyllis Drije, Sue Fischer, Beverly Kramer, Georgia Miller, Jan Ranney, Ann St. Pierre, Gina Teresi, Jacque Vogt, Jim Hamlin, Harry Lindgren and Roger Plechaty Jr. walked amongst the tables.

Generous donations by the merchants of Antioch made it possible for nearly everyone to leave with a newly-won prize.

Special thanks go to Chairman Joan Cilik and her committee: Judy Nauman, tickets; Margaret Sexton and Mickey Fischer, raffles; Diane Poulter, models; Mike Gross,

programs; Jacque Vogt, posters and correspondence; Dee Selak, refreshments; and to all

who helped make the evening a huge success.

PUBLICITY DEADLINE IS MONDAY NOON

Because so many clubs and organizations are submitting publicity releases on Monday afternoons and Tuesday mornings, the Antioch News is having trouble squeezing all of the information into the newspaper. So once again we must strictly enforce our deadline of Monday noon for publicity releases. And, for best results, it would help if you get them to us on the previous Friday. Thanks for your cooperation.

OBITUARIES

EDWARD W. HENNESSY, 71, of Fox Lake, passed away on Friday, Apr. 18 at St. Therese Hospital. He was born June 15, 1903 in Fox Lake and lived there all of his life. He had owned and operated "Three Star Hennessy's Tavern" in Fox Lake for over 30 years and retired several years ago. He has no known relatives that survive.

A funeral service was held Tuesday at the Strang Funeral Home in Antioch. Rev. Father Melcher of St. Peter's Church officiated. Interment was in Cole Cemetery in Spring Grove.

BERNICE M. SITLER, 81, of 780 Main St., Antioch, passed away on Saturday, Apr. 19 at Victory Memorial Hospital. She was born Aug. 29, 1893 in Oregon, Ill. She married Rev. Loyal V. Sitler on June 1, 1915 in Oregon. He preceded her in death on June 14, 1949. His ministerial appointments took

them to many towns including Antioch where he served from 1933 to 1937. She moved back to Antioch in 1949. She was a member of the Antioch United Methodist Church and served as lay leader and past member of the official board of that church.

Survivors are two daughters, Mrs. Gwendolyn (William) Hansen of Antioch; Mrs. Dolores (Robert) Irish of Wadsworth; one sister; seven grandchildren and nine great grandchildren. She was preceded in death by one brother.

Funeral services were held at 2 p.m. Tuesday at the Strang Funeral Home in Antioch. Rev. Stephen Williams of the Antioch United Methodist Church officiated. Interment was in Hillside Cemetery. Memorials may be made to the Organ Fund of the Antioch United Methodist Church or to the Antioch Rescue Squad in memory of Mrs. Sitler.

Along the way with ANNIE MAE

Kessler on the 30th.

Anniversary congrats to Joan and George Vistain and Nancy and Forrest Stahmer who celebrate marital bliss on Apr. 25, to Ellen and Dick Kessler on the 29th. Get wells to Ben Wagner who is in Victory Hospital.

THE FIRST boating accident of the season had a happy ending - good thing the Bill Barr family, who live on the North end of Lake Catherine, had their pier and boat in the water last Saturday. Seems three fishermen had their boat capsize and ended up in the drink. The Barr's were able to rescue everyone in time.

Remember - think Spring.

See ya,
 Annie Mae

Lake Geneva Raceway Will Open Saturday

LAKE GENEVA - For the second time this season, the stock car racing opener had to be cancelled at the Lake Geneva Raceway. This time it was just unseasonably cold as temperatures dropped to near freezing amid high winds.

Originally, the season was to have opened on Apr. 5 but a record spring snow storm made that impossible and the opening was delayed until last Saturday.

With a warmer forecast for this weekend, Toft Auto Racing, the new group operating the

stock car racing this season at Lake Geneva, looks forward to finally getting in the first night of action.

The early season dates will feature late models, sportsman and spectator stocks. At least three former Lake Geneva modified stock car winners and champions will race this season in the late model stock car class. They are Johnny Reimer, driving the Fred Nielsen Camaro; Al Schill, in his own Camaro, and Jim Boehles, in a Chevelle.
